Signing in

Every user has a PIN. What they can do depends on their role.

1 The sign-in screen

Pick your name from the list, type your PIN on the keypad and press Unlock. A wrong PIN shakes and counts; repeated wrong PINs lock the account for a while.

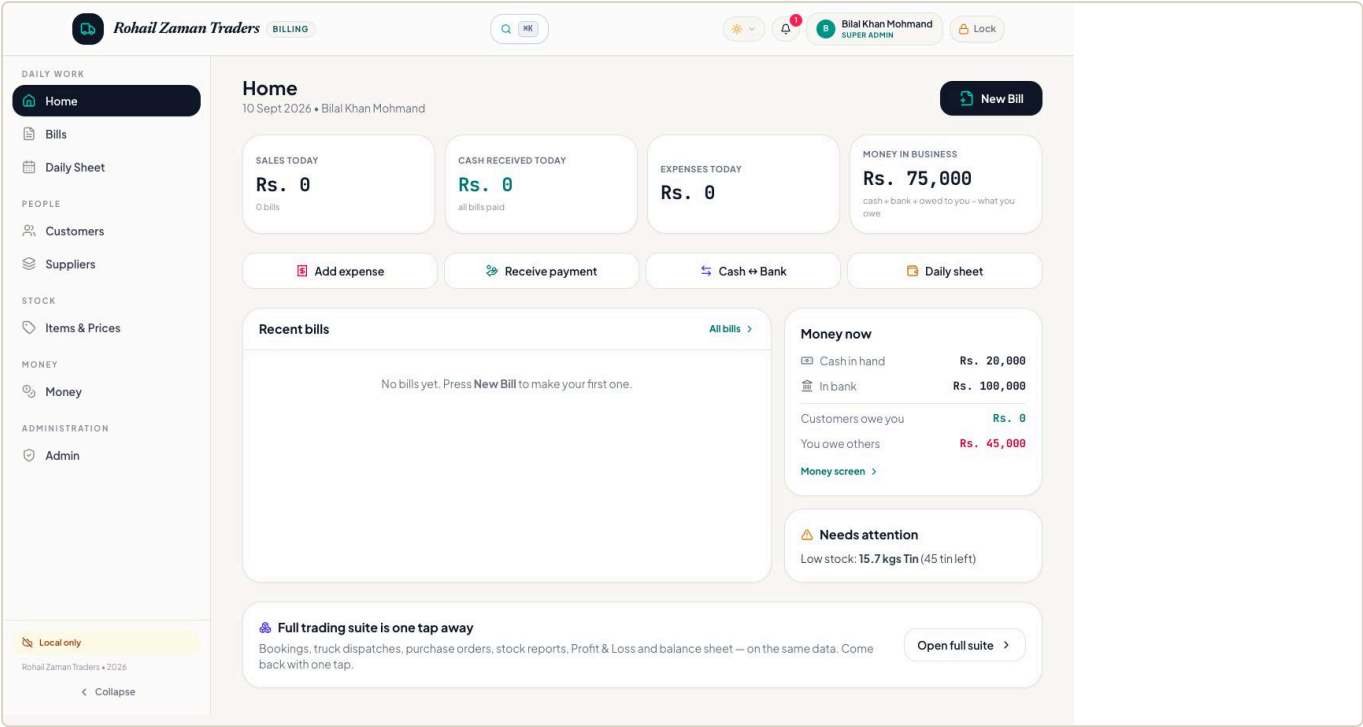

Home

The first screen every day.

2 Home before the day starts

Today's four numbers are zero, the four everyday buttons are ready, and "Needs attention" already warns that 15.7 kgs Tin is below its low-stock level.

Making a bill

The whole job of the app, in six presses.

3 Step 1 — press New Bill

The bill form opens with one empty item line and today's date.

4 Step 2 — pick the customer and an item

Choosing "5 kgs Can" fills its fixed price 2,065 automatically. Quantity starts at 1.

5 Step 3 — quantities and more lines

Three lines: $300 \times 2,065$, $300 \times 1,037.5$ and $40 \times 6,535$. Each amount and the subtotal update as you type. The amber note warns that only 45 tins are in stock.

The screenshot shows a mobile application interface for a bill. The bill is titled 'Bill INV-2' and is dated '10 Sept 2026'. It lists one item: '15.7 kgs Tin' with a quantity of '2 tin' and a price of 'Rs. 6,535', resulting in a total amount of 'Rs. 13,070'. The 'PAID' section shows 'Rs. 5,000', and the 'BALANCE' section shows 'Rs. 8,070'. The 'CUSTOMER OWES (ALL BILLS)' section also shows 'Rs. 8,070'. The 'PAYMENTS' section lists a single payment: '10 Sept 2026 • Cash' for 'Rs. 5,000'. The 'Receive payment' section has a 'Full' button selected, a 'METHOD' dropdown set to 'Cash', and a 'NOTE' field with 'optional'. There are buttons for 'Print', 'WhatsApp', and 'Delete bill' at the bottom.

14 Receive a part payment

3,000 by Easypaisa / JazzCash. The balance drops to 5,070, the payment appears in the list, and the message confirms what is still due. Bank balance goes up (Easypaisa counts as bank).

The screenshot shows the same 'Bill INV-2' form after a partial payment. The 'PAID' section now shows 'Rs. 8,000', and the 'BALANCE' section shows 'Rs. 5,070'. The 'CUSTOMER OWES (ALL BILLS)' section also shows 'Rs. 5,070'. The 'PAYMENTS' section now lists two payments: '10 Sept 2026 • Cash' for 'Rs. 5,000' and '10 Sept 2026 • Easypaisa / JazzCash' for 'Rs. 3,000'. The 'Receive payment' section has a text box with 'Rs 3,000 received. Rs 5,070 still due.' The 'METHOD' dropdown is now set to 'Easypaisa / JazzC'. The 'Receive' button is still present.

15 Receive the rest

"Full" fills the remaining 5,070. The bill is now fully paid and the Receive form disappears.

16 Print a bill later

Any bill can be printed again; this one now shows every payment and PAID IN FULL.

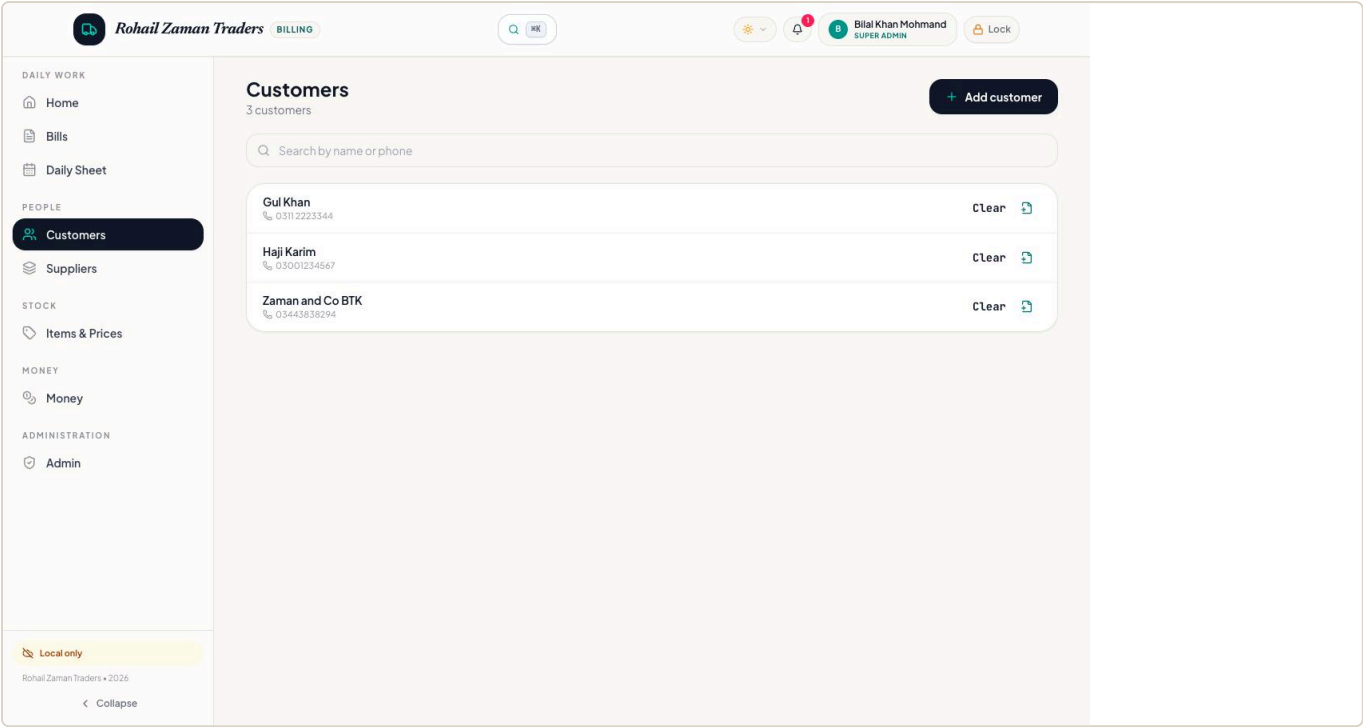

Customers

Who owes what, and every bill in one place.

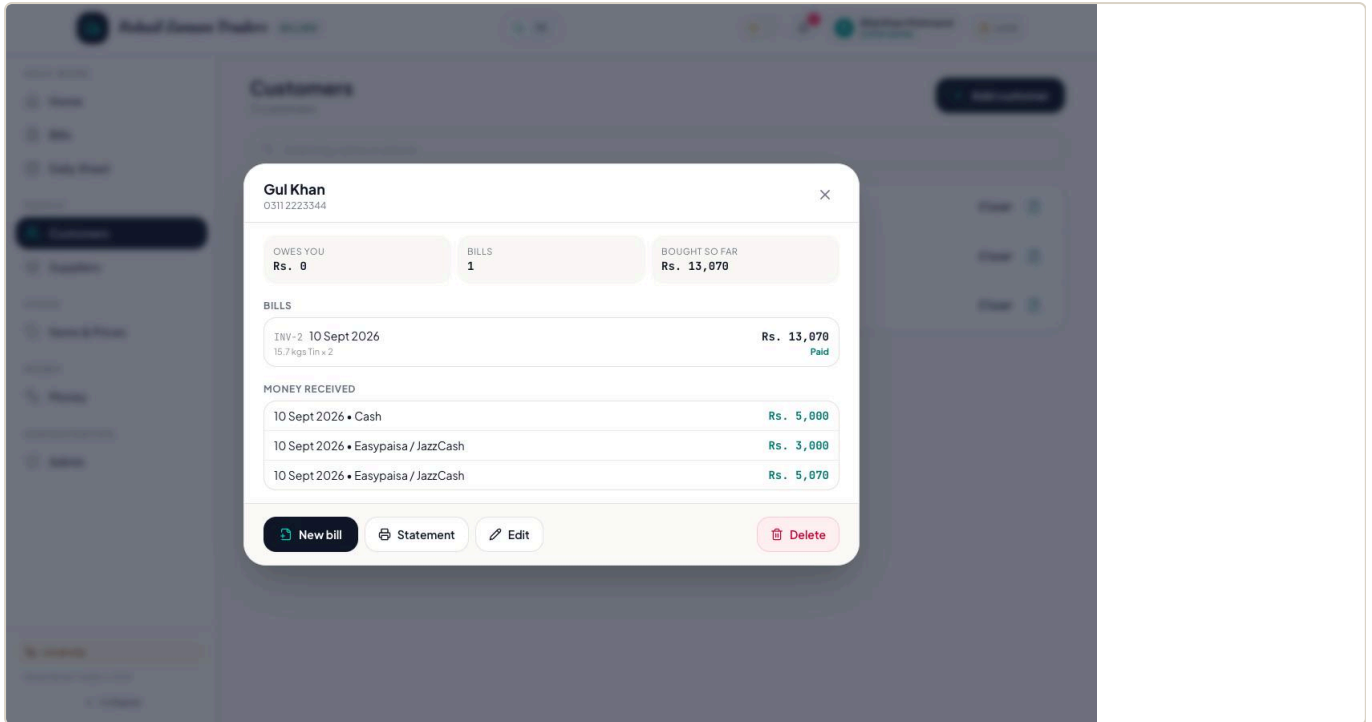

17 Customers list

Every customer with phone and what they owe ("Clear" when nothing). The bill icon on a row starts a new bill for that customer. Gul Khan was created from inside the bill.

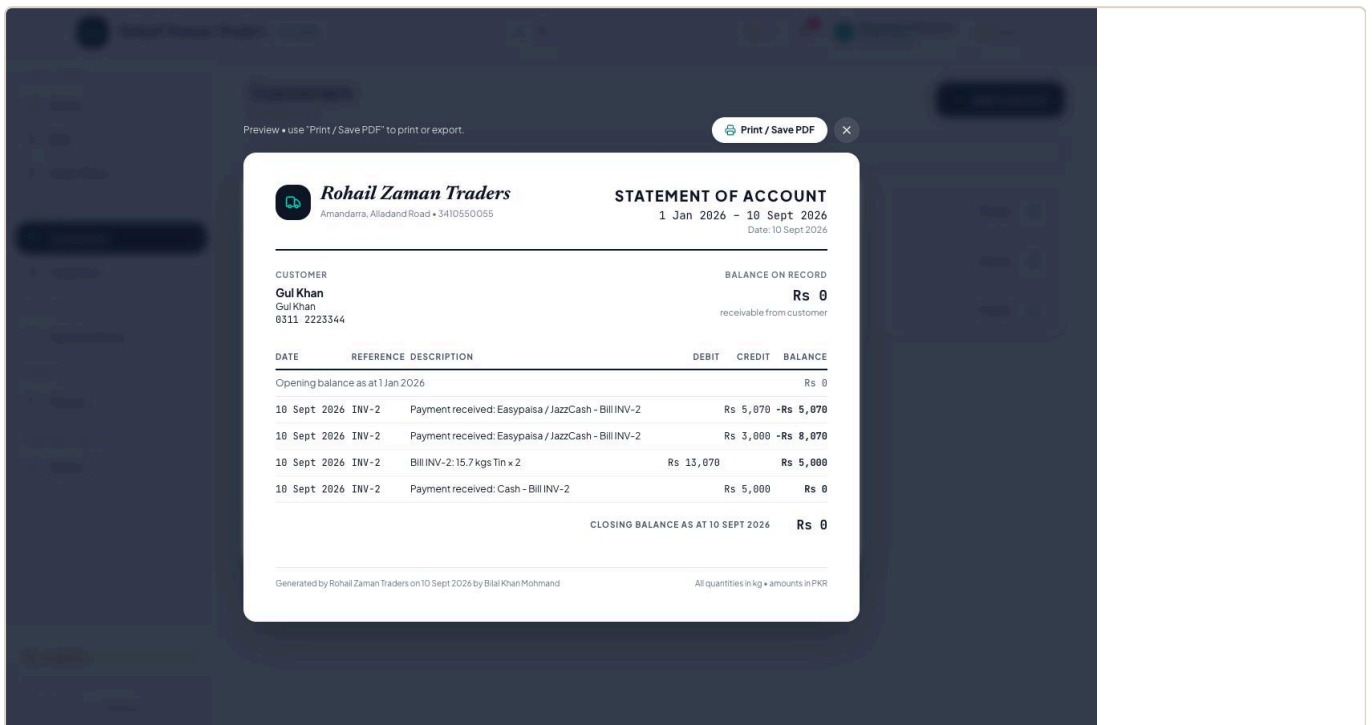

18 One customer

Owes you, number of bills, bought so far, every bill (tap to open), money received, and the buttons: New bill, Statement, Edit, Delete.

19 Customer statement

Expenses

Every rupee that goes out, in the sheet it belongs to.

20 Add an expense

From the Daily Sheet the "+ Food & refreshments" chip opens the form with the category and date already set. Fill what for, amount, and how it was paid.

The image shows a mobile application interface. In the background, there is a 'Daily Sheet' screen with various financial data points and a sidebar menu. Overlaid on this is a white 'Add expense' modal form. The form has a title 'Add expense' and a subtitle 'Goes onto the daily sheet under its category.' Below this, there are four input fields: 'WHAT FOR' (text input with 'Lunch for staff'), 'AMOUNT (RS.)' (text input with '1200'), 'DATE' (text input with '10/09/2024' and a calendar icon), and 'CATEGORY' (dropdown menu with 'Food & refreshments'). There is also a 'PAID FROM' dropdown menu with 'Cash' selected. At the bottom of the form are two buttons: 'Cancel' and 'Save expense'.

21

Three expenses in three sheets: Food (cash), Employee (paid from bank), Owner drawings (cash). Each sheet shows its own total. Cash out and Bank out tiles update.

Cash in hand, in bank, customers owe you, you owe others, and "Money in business" with its formula. The debtor list has Receive and a statement printer per customer; the creditor list shows the supplier and the unpaid expense.

27 Opening balances

The starting cash, bank and date that all balances count from. Set once on day one; change only if the count was wrong.

The screenshot shows the 'Money' section of the 'Rohail Zaman Traders' app. The interface includes a sidebar with navigation options like 'Home', 'Bills', 'Daily Sheet', 'Customers', 'Suppliers', 'Items & Prices', 'Money', and 'Admin'. The main content area displays the following information:

- Money Overview:** How much is in the business, who owes you, and who you owe.
- CASH IN HAND:** Rs. 208,800
- IN BANK:** Rs. 1,106,070
- CUSTOMERS OWE YOU:** Rs. 0 (0 customers)
- YOU OWE OTHERS:** Rs. 45,000 (1 supplier)
- MONEY IN THE BUSINESS:** Rs. 1,269,870. Below this, a calculation is shown: cash Rs. 208,800 + bank Rs. 1,106,070 + owed to you Rs. 0 - you owe Rs. 45,000.
- Buttons:** 'Cash ↔ Bank', 'Receive', and 'Opening balances'.
- Counting From:** A dropdown menu set to '01/01/2026' with a 'Save' button.
- Customers owe you:** Rs. 0. A note says 'Nobody owes you anything.'
- You owe:** Rs. 45,000. A list shows 'Dalda Foods' (supplier • 03007654321) for Rs. 45,000. A link 'Suppliers & payments >' is provided.

At the bottom, there is a 'Local only' label and a 'Collapse' button.

28 Receive against an account

Money from a customer that is not tied to one bill (old dues). The dropdown shows what each customer owes; "Full" fills it. Overpaying is refused.

The screenshot shows a 'Receive payment' dialog box overlaid on the 'Money' section. The dialog box contains the following fields and options:

- Header:** 'Receive payment' with a close button (X) and a subtitle 'Money received against a customer's account.'
- CUSTOMER:** A dropdown menu with the text 'Select customer...'.
- AMOUNT (RS.):** A text input field with the value '0'.
- METHOD:** A dropdown menu with the value 'Cash'.
- NOTE:** A text input field with the value 'optional'.
- Buttons:** 'Cancel' and 'Receive'.

31 The price list

32 Add an item

Name, sold per, fixed selling price, optional cost, stock on hand and the low-stock warning level.

The screenshot shows the 'New Item' dialog box in the Sarmaya application. The dialog box is titled 'New Item' and has a close button (X) in the top right corner. Below the title, it says 'Each item has one fixed price; you can still change the price on any bill line.' The dialog box contains the following fields:

- ITEM NAME: 1 kg Pouch
- SOLD PER: pcs (dropdown menu)
- SELLING PRICE (RS.): 450
- COST PRICE (OPTIONAL): 380
- STOCK ON HAND: 200
- WARN ME WHEN STOCK DROPS BELOW: 20

At the bottom of the dialog box, there are two buttons: 'Cancel' and 'Add Item'.

33 Edit an item

Pencil on any row. Here the tin stock is corrected to 60 after new stock arrived.
